

Keep Our HOTEL & MARINA Safe!

WE – practice good hygiene

We stop hand shakes and use **non-contact greeting methods**

Clean hands at the door and schedule **regular hand washing** reminders for all

We **disinfect surfaces** like doorknobs, tables, and desks regularly

Avoid touching face and cover coughs and sneezes

We **increase ventilation** by opening windows or adjusting air conditioning

YOU – Limit non-essential

Avoid visiting reception for non essential or grouping while in marina or hotel

Call or email us instead

Practice social distancing in overall marina area

Practice good hygiene

KEEP US SAFE!

in case that ...

- You are **feeling sick**
- You have a **sick family member** at our premises
